

# Group Visits: Rourke's Forge

Rourke's Forge is an award-winning wrought ironsmiths whose work can be found all over the world from Japan to Australia, the U.S. to Burnley. In the visitor centre you will enjoy an informative and lively talk, while you enjoy your tea and biscuits before going through to the demonstration forge to admire the blacksmiths skills (and rippling muscles!) as they work with hammer and anvil to transform red-hot iron into delicate roses, candlesticks or letter openers.
